The Neighborhood Anarchist Collective (NAC) strives to grow the anarchist movement by taking action directly and by providing a welcoming environment for education and participation. We organize locally to help build a society where neighbors support each other to meet basic needs, individuals are free to follow their passions, and empowered communities collectively shape the future.

Current projects (Jan 2025):

Share Fair – A really free market with free food, clothes, supplies, massages, haircuts, music, and services.

Radical Repair - Creating a Transformative Justice framework to support community accountability processes.

Free Skool - Free workshops / skill shares on organizing, DIY, and resilience.

Trans Relocation - Providing resources and support to trans people moving to Eugene/Oregon.

Brake Light Clinics - Providing minor car repairs to avoid traffic stops (ICE checks, police violence, etc)

Propaganda Removal - Removing fascist, neo-nazi, white supremacist, etc stickers and flyers from around town.

Have a community project you'd like to get started? We'd love to hear about it and see if we could help!
